Item	Spec
Model	F1
Color	Black, Blue, Orange(also can be customized)
Single Packing	71*65*24CM (One set)
Four packing	71*65*63CM (Four sets)
Surfboard material	HDPE5001 plastic
Surfboard weight	2.5KG
Surfboard dimension	70*64*23CM
Propeller QTY	1-3 PCS for choice
Propeller Voltage	DC24V
Propeller material	Aluminum Alloy
Propeller weight	0.6KG
Propeller dimension	13.5*8*8CM
Propeller Installation	Screw type (clockwise Locking system)
Battery cover installation	submarine cover type, self-locking system
Paddle spec	6.5CM Diameter
Lithium battery	2.2AH/4.4AH/6.6AH
Adaptor	DC26V/2A
Charing way	Touching method
Charging Time	1-3 Hours
Working Miles	1 hour
Hand control	Press the power button one time
Automatic control	Press the power button twice
Power off	Press the power button third time
waterproof	IP68
Product configuration	1 Propeller and Surfboard. Provided free gifts of waterproof cellphone case and sun protection cool sleeve.
	2 Propellers and Surfboard. Provided free gifts of waterproof cellphone case, sun protection cool sleeve and loss proof rope(shackle including).
	3 Propellers and Surfboard. Provided free gifts of waterproof cellphone case, sun protection cool sleeve, loss proof rope(shackle including) and the customized carrying bag.
