La luce led si può fissare al telaio al momento per creare forme e giochi di luce a piacere.
L'alimentatore in dotazione è nascosto dietro al telo all'interno del telaio.
Hi-Light è fornito con sagome già dimensionate di spessore 1 cm da avvitare sul retro del telaio.
The led light can be attached to the frame at the moment to create shapes and play with light as desired.
The supplied power supply is hidden behind the cloth inside the frame.
Hi-Light is supplied with pre-sized 1 cm thick gauges to be screwed on the back of the frame.
