# New Showroom

We are excited to announce that our team has moved to a new location in Mechelen-Noord. We have spent the previous years in the Center of Antwerp City. Our old office served us well and made great memories there, but we couldn't be more excited about our new showroom.

Our new office has become even more accessible than ever before. It is only 20 minutes away from the Brussels airport. We have made sure that our clients have plenty of parking space in front of the door.

Evolution21's showroom has a completely new atmosphere with many new settings and colors.

The new address is Wayenborgstaat 24, 2800 Mechelen, Belgium
