**Vision :**

VISHVA EXIM IS COMMITTED IN providing world-class and environment friendly products through continuous improvement driven by the creativity, integrity and teamwork.

**Mission :**

Our mission is to build long-term and sincere relationship with our customers by providing them VERSATILE MACHINES at a competitive price.

**Quality Policy :**

We at vishva exim are committed to pursue customer satisfaction as our prime goal .

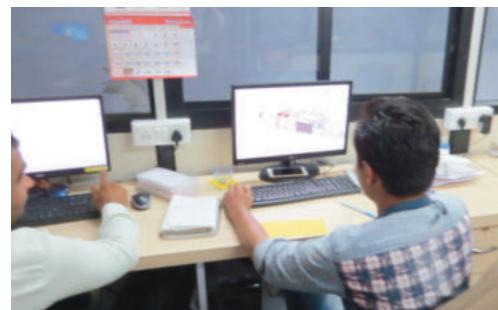

Vishva exim is committed to providing quality products with necessary environmental and safety standards. We also pride on our timely delivery and customer service.

Vishva exim is committed in involving all its employees through quality management system as per is in order to have continual improvement in performance of our organization with focus on excellence.

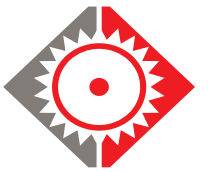

We are regularly review that these principles are put in practice.

**Leadership :**

Vishva Exim is led by Mr. Udaoy Shah having more than 25 years of rich experience of operating globally and has catered to the requirements of various customers . He is backed by a team of equally able and experienced engineers to fulfill the vision of the company.

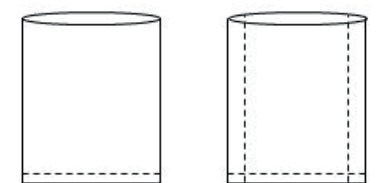

**FLYING KNIFE WITH 3 SERVO**  
BOTTOM SEAL MACHINE

A 3 Servo High Speed Bottom Sealing Machine with Flying knife Edge cutting. It has servo for sealing unit for Better sealing and for higher productivity. Capability of processing of higher thickness films.

**Power Series**

Speed 120 Strokes/min

**TECHNICAL DETAILS:-**

MODEL	VELOSS 800FB	VELOSS 1000FB	VELOSS 1200FB	VELOSS 1400FB
BAG WIDTH	700MM	900MM	1100MM	1300MM
BAG LENGTH	200 - 2500MM	200 - 3000MM	200 - 3000MM	200 - 3000MM
SPEED	120 STORKES	120 STORKES	120 STORKES	100 STORKES
THICKNESS	20 TO 500 MICRONS	20 TO 500 MICRONS	20 TO 500 MICRONS	20 TO 500 MICRONS
