Mplace è un luogo, non un luogo qualunque, è il tuo posto ideale che rappresenta appieno te stesso, il tuo gusto, le tue aspirazioni, il tuo modello di vita. Un luogo fatto di elementi, oggetti e complementi d'arredo che, come strumenti di una grande orchestra, si uniscono e danno vita ad un linguaggio armonico, fatto di materiali pregiati e particolari raffinati che si compenetrano tra loro senza soluzione di continuità. Mplace è un punto di arrivo e di partenza per il tuo domani capace com'è di generare nuove energie e nuove speranze. La purezza del pensiero e delle forme orientali incontra la tradizione del razionalismo occidentale, dando vita a forme essenziali, arricchite da particolari e materiali di grande valore che rendono il design di Mplace unico nel suo genere, capace di vestire in modo originale e personale ambienti e spazi architettonici ispirati all'oriente in piena coerenza con lo stile ed il segno inconfondibile del design by **Telemaco**.

Mplace is a place, not a common one, is your ideal place which represents yourself in full, your taste, your goals, your way of living. A place made of elements, objects and pieces of furniture that, like instruments of a huge orchestra, come together and give life to a harmonic language, made of valuable materials and dashing details that melt without solution of continuity.

Mplace is one point of arrival and of departure to your tomorrow, able to create new energy and new hope. The pureness of thought and Oriental shapes that meet the Western traditional rationalism, giving birth to essential forms, that bring Mplace design unique in its genre, able to originally and personally dress rooms and architectural livings inspired by the East, in full coherence with the style and unmistakable mark of the design by **Telemaco**.
