EXTRAITS DU CATALOGUE

	" Outdoor collection "
	" Being outdoors goes hand in hand with the awareness of living according to nature, and allows us to appreciate the nuances generated by light in every detail – on a city balcony or before the sun setting on the sea, summer and winter alike. And so MDF Italia interprets the outdoors: a journey of discovery through time and space with a collection capable of spanning completely different seasons and places thanks to furnishing systems that prove complete, integrated, and versatile. Having always observed the evolution of lifestyles in public and private spaces, MDF Italia pays special... "
